SLDGHMR - SLDGHMR & You Love Her Coz

SLDGHMR - SLDGHMR & You Love Her Coz

With the original and dub mix under their belt, it seemed only natural that an extended mix be released to appease the needs of this track's many dotting fans. A longtime lover of the extended version of most tracks – an affinity stemming from inadequately short radio anthems – I wholeheartedly welcomed the two minute extension to a track I have been shamelessly singing at the top lungs for the past months.

Couldn't connect to the server. Please try again later.

[Go Back](#)

Keeping with the general euphoria of the original, the extended version opens with a cutting bassline to further separate the track from its pop origins. Malin's lyrics continue to dominate the overtone of the entire track but airy respites make it a breathable deviation from its relentless electro original. It is yet another amazing track to add to these producers' catalogs that now read more like bibles than simple track lists.
